Championship Rules

The eligible classes are

OPEN

Any shotgun with a detachable magazine or an optical or electronic sight

STANDARD

Any tube fed Semi Auto or Pump Action Shotgun with standard bead and rib sights, no limit on magazine capacity

SECTION 2

Any section 2 legal shotgun with standard bead and rib sights

The best 8 scores from the eleven matches will be used to decide the winners of each class.

Trophies will be awarded to 1st 2nd and 3rd in each class

Pump action shotguns have not been separated from the standard shotguns as very few are used at the moment, however if numbers increase, we will add an additional class for PA shotguns.

Ammunition: Birdshot only, Max shot size 32gram no 4, all cartridges to have a fibre wad
